

Dentist, France

For a network of dental care centres located in the South of France (Pyrénées-Orientales, Hérault and Vaucluse), we are looking for Dentists, Orthodontists and Implantologists.
Salaried status with remuneration of about € 5'000 net per month.

The practice, equipment and dental/administrative staff are all provided.
Between 3 and 5 days a week.
Benefits: paid holidays, company health insurance, autonomy.

There's also an ownership position at another location, and this is a private practice to be bought and taken over by general dentist (could be implantologist as well). Income: EUR 5'000-10'000 net per month.

EU nationality and EU qualifications required; good communication skills in French (B2).
Support in finding accommodation, help with registering with the ONCD, possibility of working on site as a Dental Assistant while waiting to register with the ONCD.”
