

General Dentist for a Private Clinic

We are currently looking for European specialists in dentistry, who seek new challenges, professionally as well as personally. If you are looking for stable surroundings, attractive working conditions, possibilities for professional development, a better work-life balance and a future life in one of Europe's top welfare states, in Scandinavia, this opportunity might be just what you have been looking for.

Desired skills for the position:

- 3-5 years of experience in Dentistry
- High interest for dental prosthetics, crowns, bridges.
- Professional command of English is required
- Motivation for living and working abroad

About the Clinic:

The clinic is in very good condition with solid financial situation and with a loyal patient circle. It has state of the art equipment, but the jewel of the clinic is a CEREC system. Thanks to that machine, you can provide your patients with inlays, onlays, crowns and veneers in only one appointment. It provides maximum material diversity for individual tooth restorations.

The team of the clinic is waiting for a skilled general dentist with a high interest in dental prosthetics, who is motivated to take responsibility. Jacob, the owner of the clinic is responsible for the management of the clinic, but you will also work closely with the three clinic assistants and a hygienist, who are always smiling; and a part-time dentist, who loves strolling on the beach. They are all looking forward to start working with a new colleague, and they will be happy to help you with settling down and feel yourself at home.

You and your family will be offered:

Fixed monthly salary in the first 24 months: **40.000 DKK + 5% bonus of the turnover**

The conditions after 24 months are renegotiable. A significant raise is to be expected.
