

Family Doctor, Limburg, Belgium

Are you a motivated, enthusiastic, and independent Family Doctor who dreams of having their own practice? This could be the ideal job for you! Our client is looking for an energetic Family Doctor to build upon the medicine of the future.

What are you going to do?

Our client aims to provide medicine where the patient has easy access to their Family Doctor, with the focus and time solely on the patient. They achieve this by creating various practice formats where different disciplines work together to unburden the workload. The goal is to guarantee patient well-being and create a good work-life balance for Family Doctors. They are seeking an independent, entrepreneurial, and energetic Family Doctor who is willing to work hard, work on duty, and start their own business in due time. The ideal candidate should enjoy working in a strong and close-knit team.

This is you:

- Recently graduated Family Doctor
- Proficient in English
- Willing to learn Dutch language
- Flexibility to work in different locations
- Fresh graduates or experienced individuals
- Willingness to invest in oneself and maintain the organisation's vision
- Enjoys working in a multidisciplinary team
- Willingness to work in multiple locations (max. radius of 40km)
- Goal-driven and takes care of their own patient population as quickly as possible
- Puts patients first and feels responsible for their own performance

Reasons for choosing this job:

- Monthly gross salary starting at 6.500€ for the first 6 months
- Income dependent on individual performance after the first 6 months
- Extra income by working on-call duties (average of 600€ gross per shift)
- Fully serviced infrastructure for Family Doctors
- Opportunity to build a practice within the organisation in a short period
- Possibility to purchase a share in the organisation
- Working with motivated colleagues in a friendly team environment
- Excellent opportunities to build an independent future
- Social integration assistance provided by the employer

Candidates:

- Dream of living and working in a well-developed country
- Hold an EU/EEA passport and an EU/EEA Family Doctor Diploma
- Have a professional level of English
- Eager to learn Dutch through our Language Academy
- Willing to relocate to Belgium, Flemish territory in the near future

Apply and:

- Find your dream job abroad
- Learn Dutch through the Language Academy
- Get guidance during the application process
- Ensure a worry-free mediation process
- We will find suitable accommodation
- We take care of all documents and bureaucratic formalities such as diploma recognition, banking, insurance, and registrations
