

Family Medicine Specialist, France

Contract Type: Full -Time / Permanent - Working Hours: 35 working hours per week

Location: Middle and South France

The Vacancy

We are looking for family doctors who would consider working in municipalities, doctor practices and private rehabilitation clinics located in the Middle and the South of France. Our diverse network of clients gives you the opportunity to choose where you would like to live; located in a village near the coast, more land inwards or even in the mountains.

Financial Incentives

The French government has created several financial incentives for where new arrived doctors are entitled to. Depending on the region this can be an installation compensation and/or tax advantages (up to 100%) and in most cases also local incentives.

The French Healthcare System

The French healthcare system is regularly quoted as one of the most efficient in the world, especially because of their well-equipped hospitals and their working conditions. With just 35 working hours a week you could enjoy a good balance between work & life.

Compensation

Doctors in France are among the top 10 most paid doctors in the world, so your salary range can be from 4.000€ to 7.000€ net per month.

The requirements related to the position of General Practitioner/ Family Doctor

We are looking for a candidate with the following requirements:

- Applicants from the European Union
- All level of experience
- Are willing to learn French (provided by us) - or do already master it.
- Motivated to settle in France and to practice their profession with professional conscience and respecting the Code of Ethics of the Order of Doctors.

Our team provides you

- The necessary languages training up to B2 (personal conversation and medical terminology).
- Personal relocation advice & help to smoothen your relocation and local installation.
- Professional tax, assurance and contract advice so you know that you can start your new adventure with peace of mind.
