

Family Medicine Specialists to Norway

Norway is a once-in-a-lifetime destination and the essence of its appeal is remarkably simple:
this is one of the most beautiful countries on earth.

Norway provides one of the best living standards in the world. Residents enjoy free education, subsidized health care, an extensive and smooth-running public transport system as well as the access to the magnificent unspoilt countryside.

We can offer various solutions for doctors willing to work in Norway:

- 1) Temporary positions – you work in Norway for shorter periods but you live in country of your choice - you get to try different places and travel all over the country and do not need to move to Norway to do that!
- 2) Try & Hire – you take temporary position for a period of 6 months before you decide about the permanent contact – you get to try the workplace before you settle down!
- 3) Permanent positions – they give you stability and good development opportunities!

Qualifications and skills:

- Authorization as a specialist in Norway (we will help you get it)
- Independent and structured
- Engaged and motivated
- Positive and flexible approach
- Good team work skills
- Good Norwegian language skills (we will help you learn it)

We assist you – the medical specialist – in identifying positions which could be of interest, and works with you, as your partner, throughout the entire screening, negotiation, and recruitment process. Once we have a position for you, we also assist in relocation, housing and other practical issues. We can also provide you with the free language courses, if you decide to work with us.

If this sounds interesting, please send us your CV via e-mail, so we can invite you for a non-committal talk.
