

Gastroenterologist, the Netherlands

The hospital is a top-tier regional healthcare provider, serving Southeast Friesland with a broad range of specialised care. It has established excellent collaborations with a university hospital and primary care partners to deliver optimal health outcomes and enhance patients' quality of life. The hospital is also committed to training future doctors, nurses, and other healthcare professionals with passion and expertise.

Position overview:

The hospital is seeking its 6th and 7th Gastroenterologist (1.6 FTE). These roles will join a highly motivated and professional team dedicated to advancing gastroenterology care.

Key Features of the Role:

18 clinical beds in the Gastroenterology Department.

Three fully equipped endoscopy rooms with spacious recovery facilities.

Comprehensive gastroenterology care, including ERCP, VCE, endoscopic ultrasound, single balloon enteroscopy, IBD, HPB, and oncology.

Active involvement in the national colorectal cancer screening program.

Collaboration with multidisciplinary teams, DC Clinics in Dokkum and Groningen, and UMCG (University Medical Center Groningen).

This is you:

A team player with strong interpersonal skills.

Ambitious and eager to contribute to the growth and development of the team.

Passion for teaching medical students and physician assistants in training.

(Nearly) completed training as a Gastroenterologist with BIG registration.

Willingness to participate in on-call duties and multidisciplinary collaborations.

Reasons for choosing this job:

A supportive, professional, and healthy work environment.

Partnership in an independent Gastroenterology group after a probationary period, with no goodwill or buy-in fees required.

A dynamic, modern, and financially stable hospital in a picturesque and affordable region. The chance to work in Drachten, surrounded by beautiful nature and offering an excellent work-life balance.

Competitive income up to €14,000 gross per month.

30 paid holidays

30% tax benefit

The costs for the Dutch language course will be covered through a training agreement after signing your contract

Possibility to obtain your RIZIV registration
