

General Dentist, Utrecht, the Netherlands

Working in the romantic city of Utrecht? For a solo practice in the city centre of Utrecht we are looking for a general dentist. In this practice, you will be working with experience dental nurses to give you assistance at the chair. It's like having your own practice but without the administrative responsibilities. A full agenda will be available from the beginning. Experience, interest and love for endodontics and prosthetics are key to be successful in the practice.

Job Description:

- A job as a self-employed general dentist
- The opportunity to work full time
- A long-term position and commitment
- The opportunity to work self-employed based on a percentage of the revenue.

Working conditions:

- A pleasant and professional working climate
- Working in a modern equipped dental practice
- An income that is amongst the highest incomes for dentists in Europe
- A full agenda from the start
- Being your own boss and running your own practice without the paperwork

Job Requirements:

- An EU-nationality
- European education in dentistry
- A minimum of 3 years of full time work experience with in the EU
- A calm and kind personality
- Able and willing to work solo
- Strong communication skills

Income:

- Starting self-employed c/a € 50.000+ and up gross per year.

Our services:

- A position suitable to your needs and profile
- A good and honest contract
- Suitable housing for you and your family
- Handling of the required documents that allow you to work and stay in the Netherlands or Belgium
- Opening a local bank account
- Advice on tax issues and insurance
- Handling of your registration as a medical doctor and/or specialist in the Netherlands or Belgium
- Objective information on living and working life in the Netherlands or Belgium
