

General Psychiatrist for Leading Organisation, Overijssel, the Netherlands

This institution offers a wide range of services for individuals of all ages with mental health issues, including counselling, therapy, crisis intervention, and psychiatric care. As a psychiatrist, you have the freedom to determine the treatment and tailor it to meet the patient's needs. The institution focuses on providing holistic care, considering both mental and physical well-being, which sets it apart from facilities that primarily focus on mental health.

Your qualities as a Psychiatrist:

Are interested in working in Acute Psychiatry
You are a team player with a strong emphasis on empathy and communication.
You have an EU-recognised specialist degree in psychiatry.
You have a permanent EU/EEA nationality.
You have upper-intermediate English level (B2)
You are willing to learn Dutch through a dedicated language academy with our assistance.

Our offer for you as a Psychiatrist:

Annual balance budget allocated for training, fostering continuous growth and learning.
Salary ranging from €6000 to €9500, based on a 36-hour workweek.
Enjoy a 30% tax discount, a remarkable financial benefit.
Immediate contract for an indefinite period, providing stability and security.
Year-end bonus of 8.33%, a token of appreciation for your dedicated service.
Generous provision of 25 paid holidays, ensuring a healthy work-life balance.
