

Haematologist to Sweden

A public hospital in the south of Sweden is offering employment for specialists in hematology and internal medicine.

The hospital is one of the biggest regional county hospitals in Sweden and is responsible for the healthcare of 100,000 people.

The hospital is looking for experienced specialists in hematology and internal medicine. The work is in and out-patient care, and there are several duties per month.

We offer:

Permanent contract after successful trial period

Training courses within working hours

Help to find: Apartment, school and kindergarten

Study tour to Sweden, after a first interview, to learn more about the region and the work environment

Assistance with removal and relocation costs

Intensive Swedish course, also for the partner

A scholarship for the Swedish course of €700 monthly net, a supplement for children of €70 monthly net, free apartment and travel costs for the family

Requirements:

Specialist title in hematology

Specialist title in internal medicine would be considered as advantage

Be able to complete the Swedish intensive course and reach C1 level
