

Histopathology Consultant, the UK

Salary: £78,304 - £105,570

Did you know that there is a city in the North of Scotland that has less rainfall than Eastbourne on the South coast of England? Where the sun rises at the end of June at quarter past four in the morning and doesn't set until quarter past ten at night? Not that it gets dark then either. That city is the UK's most northerly; Inverness. Screened by mountains on three sides it enjoys the variety of city life with access to the mountains, rivers and seas of the UK and Scotland's wildest places. Why would you live, work and play anywhere else?

Essential Requirements:

Holding a medical diploma and specialist exam in Histopathology

Min. 6 months of CCT in Histopathology

Advanced level of English language knowledge

Appropriate knowledge base and ability to apply sound clinical judgment to problems

Good communication skills

Desirable requirements:

Having or developing special interests in the general cellular pathology

Report writing skills

An interest in dermatopathology and diagnostic cytology would be advantageous

To apply:

Please send your CV mentioning reference T8 at info@phd-jobs.net
