

Neurologist, Belgium

For our client, an established regional hospital, known as the largest employer in the region, we are seeking a skilled neurologist to join its department. The hospital has 340 beds with 1,200 staff.

This is you:

You are a specialist physician in neurology
You have knowledge of EEG and EMG
You have good communication skills
You have a positive and cooperative attitude.
Basic knowledge of French is a plus
Willing to learn Dutch

Reasons for choosing this job:

You will be working as self-employed doctor
You will be working full time, part-time negotiable
Performance based income €150.000- €250.000 gross per year
Possibility of developing a sub-specialist activity in neurology in consultation with colleagues
Opportunity to determine the working hours, holidays etc.
The costs for the Dutch language course will be covered through a training agreement after signing your contract
Possibility to obtain your RIZIV registration

Candidates:

Dream to live and work in another country
Have an EU/EEA citizenship
Hold an EU/EEA medical or a specialist diploma
Master English (or French) in a full professional proficiency level
Are willing to learn Dutch through an exclusive Language Academy
Are willing to relocate to the Netherlands or Belgium in a near future

Apply and:

Find your dream job abroad
Get guidance during the whole application process
Learn Dutch through a method focused on language learning for high skilled healthcare professionals
Have certainty of a worry-free process
Get help finding your future home
All documents and bureaucratic formalities such as diploma recognition, banking, insurance, registrations, etc., will be taken care of
