

## **Occupational Health Physician, Ireland**

**Location:** Dublin

**Salary:** €160'000 - €161'000 p/a

Are you an Occupational Health Physician on the specialist division of the Irish Medical Council or eligible? Join Ireland's top provider in occupational health for unmatched professional growth. Work with a leading team dedicated to enhancing workplace health and productivity. Discover Dublin's vibrant culture, friendly atmosphere, and thriving tech scene. Enjoy a cosmopolitan lifestyle with top-tier education, healthcare, and leisure activities in one of Europe's most dynamic capitals.

### **Education and Requirements:**

Inclusion on the Specialist Register in Occupational Medicine by the Irish Medical Council (or eligible/working towards this).

Proven interest and experience in occupational health practice.

### **Main Responsibilities:**

Deliver proactive, evidence-based occupational health services to enhance client value. Collaborate with clients, colleagues, and the management team to promote health and productivity.

Identify and champion best practices in occupational health.

Evaluate, diagnose, and treat work-related illnesses and injuries, and conduct mandatory medical examinations.

Provide consultations for work-related health issues upon request from management or employees.

Work with the Clinical Medical Director to ensure compliance with clinical and management frameworks and best practices.

Multiple positions available.
