

Work in Norway as an Oncologist

We work with hospitals & private clinics to which we would like to introduce you as they are looking to hire more doctors.

Qualifications:

Medical degree with Specialist qualification within Oncology

Experience in oncology, radiation therapy

Additional research and other academic qualifications are considered an advantage

You should be familiar with working in digitalized systems

We expect that you: -

Can work structured and effectively

Have good communication- and collaboration skills

Are enthusiastic, open to challenges and a quick learner

Motivated to emigrate

Responsible and interested

Have a positive and flexible spirit

Ability and willingness to achieve results and progress

Has an ability for learning new language(Norwegian)

Ability to work both interdisciplinary and independently

Our client assists you – the medical specialist – to identify positions which could be of interest, and work with you, as your partner, throughout the entire screening, negotiation, and recruitment process. Once they have a position for you, they also assist in application for approval as a medical specialist in Scandinavia, relocation, housing and other practical issues.

To apply: please send your CV (and any other files) mentioning reference code DM-05 at info@phd-jobs.net Web: <http://www.phd-jobs.net>

Contact person: Mr. Vitaly Pryadka
