

Ophthalmologist, Belgium

About the organisation:

Our client, a private clinic located in East-Flanders, specialises in a range of eye care services. The clinic has a team of experienced and highly skilled ophthalmologists who are dedicated to providing the best possible care to their patients. The clinic's focus is on providing personalised, compassionate care, utilising advanced technology and equipment.

What are you going to do?

You will be responsible for providing comprehensive eye care services to patients, including performing eye exams, diagnosing and treating eye diseases and conditions, and performing surgeries when necessary.

You will be working in a team of 12 professionals.

You will be expected to have a focus on the areas of expertise of the clinic, such as Lasik, ReLEx SMILE laser eye surgery, lens implantation, dry eye treatment, cataract surgery, eyelid correction, and macular degeneration.

This is you:

You have completed your studies in ophthalmology

You have at least 1 year of work experience

You are able to organise your own work

You have perseverance

You are looking for independent work

Reasons for choosing this job

Work as a self-employed doctor

Income up to € 10,000 gross per month

Flexible full-time working hours (10 half days a week)

You will work as the all-around ophthalmologist alongside a team of 12 professionals.

The costs for the Dutch language course will be covered through a training agreement after signing your contract

Possibility to obtain your RIZIV registration

Candidates:

Dream to live and work in another country

Have an EU/EEA citizenship

Hold an EU/EEA medical or a specialist diploma

Master English (or French) in a full professional proficiency level

Are willing to learn Dutch through an exclusive Language Academy

Are willing to relocate to the Netherlands or Belgium in a near future

Apply and:

Find your dream job abroad

Get guidance during the whole application process

Learn Dutch through a method focused on language learning for high skilled healthcare professionals

Have certainty of a worry-free process

Get help finding your future home

All documents and bureaucratic formalities such as diploma recognition, banking, insurance, registrations, etc., will be taken care of
