

## **Ophthalmologist / Cataract Operations, the Netherlands**

Always dreamed of living in the center of Europe in a country with a very well organized health care system? This could be your chance. The Netherlands are not only famous for the tulips and windmills, it is also known for the well organized healthcare system and the modern psychiatry. In the specialized clinics is a flat hierarchy and a warm and social work environment. On behalf of a private ophthalmology clinic with several locations in the Netherlands, we are seeking a fulltime ophthalmologist m/f.

### ***Your profile***

Allround ophthalmologist who is able to perform cataract operations, consultations, laser treatments, eyelid surgery etc.

### ***Job profile***

The opportunity to work in a modern and very specialized well known ophthalmology clinic in the Netherlands.

### ***Working conditions***

A pleasant and professional working climate.

Salary up to €11.162 Gross per month, for 45 hours per week.

30% tax deduction for a period of 7 years.
