### Working conditions

- A pleasant and professional working climate
- Working in a high standard modern equipped dental practice
- The patients' wellbeing has the highest priority
- An income that is amongst the highest incomes for dentists in Europe
- A full agenda from the start
- Room for professional growth and development

### Job Requirements:

- Allround dentist
- European Master Degree in Dentistry
- Minimum of 3 years of fulltime work experience as general dentist
- A special interest in paediatric dentistry
- A calm, kind and patient personality
- Professional attitude
- Strong communication skills

### Income

- Employed starting with c/a € 50.000 gross per year.

### Our services

- A position suitable to your needs and profile
- A good and honest contract

- Suitable housing for you and your family
- Handling of the required documents that allow you to work and stay in the Netherlands or Belgium
- Opening a local bank account
- Advice on tax issues and insurance
- Handling of your registration as a medical doctor and/or specialist in the Netherlands or Belgium
- Objective information on living and working life in the Netherlands or Belgium
