Paediatric surgeon, Belgium

For our client, a university hospital in the center of Brussels, we are seeking a Paediatric Surgeon.
Salary: EUR 190’000 to 220’000 p/a and beyond depending on business volume.

Requirements & expectations:
Must be a citizen of the European Union.
Must hold a medical degree and a specialist qualification from a university in the European Union. Must speak French at a minimum level of C1, enabling good communication with patients, and write in French at a minimum level of B2. Language proficiency certificates dated within the last four years must be presented.
Applicants must not have been subject to serious criminal or professional sanctions.
Applicants must already be registered with the Belgian Medical Association or another country of the European Union/European Economic Area, or be eligible for registration with the Belgian Medical Association.
Applicants must be motivated to settle permanently in Belgium and practice their profession conscientiously, while respecting the Code of Ethics of the Belgian Medical Association.
