

## **Pharmacist, France**

Available locations: Cher/Centre, Champagne region, Vosges

Monthly salary: between +/- €3'000 and €5'000 net/month.

### ***Responsabilités:***

For our client, a Hospital Center, we are looking for 3 pharmacists. The current team is composed of 5 pharmacists.

The job profiles we are looking for are oriented on the following sectors:

Pharmacotechnics

Clinical Pharmacy

Computerization of the drug circuit

Sterilization Quality Assurance Manager

### ***Other requirements:***

Pharmacist meeting the requirements of the decree of January 2015 concerning the conditions of exercise in PUI (+/- registration to the list of aptitude of hospital pharmacists)

### ***Requirements & expectations:***

Be a national of the European Union (or a national of a country with which France has an exchange agreement for workers).

Have a degree in general medicine and hospital pharmacy from a university in the European Union (unfortunately we cannot consider applications from medical interns).

Speak French at a level that allows at least good communication (B2 level) with patients. No language diploma will be required but a mandatory interview will take place

Not have been subject to serious criminal or professional sanctions

Be motivated to come and settle permanently in France and to practice his/her profession with professional conscience, while respecting the Code of Ethics of the Ordre des Médecins
