

Psychiatrist to Denmark

Various vacancies as a staff specialist in psychiatry are open in Denmark. The hospitals are looking for specialists in psychiatry with broad interests and knowledge.

Working in a Danish hospital gives you both a good and a stable professional and private life. You get attractive working conditions and great possibilities for professional development, and a better work-life balance.

Organisationally, the regional psychiatric health care is separated from the somatic healthcare, though in the daily work there is a close cooperation with the somatic hospital in regards to supervision and training of junior doctors.

The departments are organised in multidisciplinary teams consisting of psychologists, physiotherapists, social workers, family therapists and secretaries.

We offer:

Permanent contract after three-months of trial period

Attractive salary. Duties, if there will be, will be paid apart

Training courses within working hours

Help to find: Apartment, school and kindergarten

Invitation to study tour to Denmark after a first interview, to learn more about the region and the work environment

Assistance with removal and relocation costs

Intensive Danish course, also for the family

Remuneration during the Danish course of €700 monthly net, a supplement for children of €70 monthly net, free apartment and travel costs for the family.

A great opportunity to grow professionally

Good and deeply committed colleagues with different professional backgrounds

Working in an informal work environment

Good working conditions

Requirements:

Specialist title in psychiatry recognised in the EU

Professional experience and interest in affective disorders, anxiety diagnoses, addictions, etc.

Experience in both outpatient and inpatient care

Availability to complete the Danish course (B2 Level)

Motivation for living and working in Denmark
