

## **Psychiatrist for Modern All-Round Hospital, Limburg, the Netherlands**

### ***What are you going to do?***

As a psychiatrist, you are concerned with making indications and making treatment plans. In addition, you are involved in the treatment of patients within a multidisciplinary team. You provide supervision and participate in training activities. You provide an active contribution to the care policy and recovery-supportive treatment. You are also involved in maintaining external and internal contacts.

### ***Qualities:***

A completed study as a psychiatrist

Preference is given to a generalist with an interest in/affinity with hospital psychiatry

Willing to build a new medical psychiatric unit

### ***This is you:***

We are looking for a recently graduated Family Doctor

You are speaking the English language at a professional level

Speaking French, English, Italian or Arabic can be a plus

Flexibility when it comes to working in different locations

You may have just graduated or you may have several years of working experience.

Important is that you are willing to invest in yourself by working hard and that together with your colleagues you work on maintaining the vision of the organisation.

You like to work in a multidisciplinary team

You are willing to work in multiple locations (max. radius of 40km.)

You are a real goal-getter and can take care of your own patient population as quickly as possible

You put the patients first and you feel responsible for your own performance

### ***Reasons for choosing this job:***

Your salary will start at € 6,500 gross per month for the first 6 months

After the first 6 months, your income will be dependent on your own performance

You can supplement your income by working extra on-call duties (on average € 600 gross per shift)

The infrastructure on which you can act as a family doctor is fully serviced by this organisation

You can build your own practice within this organisation in a fairly short period of time

Opportunities for purchasing a share in the organisation

Working with nice colleagues in a highly motivated team

Working for an organisation where you are not only colleagues but also can become friends

Excellent opportunities to build a beautiful and independent future

Help with the social integration by your employer
