

Pulmonologist to Norway

We offer different positions for respiratory medicine specialists in public hospitals in different regions in Norway.

The positions are for pulmonologists with broad profiles. It is essential to have second specialization in internal medicine. There are on-calls to the positions.

You will work in teams and there are possibilities to combine clinical work with research and teaching.

You are expected to have an active role in the department's medical development.

The hospitals offer permanent contracts. Before starting the employment you and your family will benefit from a free intensive language course to learn Norwegian.

We offer:

Permanent contract after the trial period

Attractive salary, duties are paid apart

Training courses within working hours

Help to find: Apartment, school and kindergarten

Invitation to study tour to Norway after a first interview, to learn more about the region and the work environment

Assistance with removal and relocation costs

Intensive Norwegian course, also for the family

A scholarship for the Norwegian course of €700 monthly net, a supplement for children of €70 monthly net, free apartment and travel costs for the family

Requirements:

Specialist exam in respiratory medicine recognised in EU

Second specialty in internal medicine

Ability to complete the Norwegian intensive course

To apply: please send your CV (and any other files)
