

Resident Medical Officer (RMO), Ireland

Location: Limerick

Salary: €70000 - €80000 p/a

Healthcare Direct (HCD), Ireland's leading private provider of long-term care, is expanding its post-acute rehabilitation services. We are partnering with Mowlam Healthcare to deliver integrated, age-friendly rehabilitation, aligned with HSE's Age Friendly Health Service initiative.

About:

Level 2 and 3 rehabilitation for patients referred from University Hospital Limerick and Ennis General Hospital. This 25-bed unit supports patients with ongoing medical needs and rehabilitation requirements.

Key Responsibilities:

Provide comprehensive medical care to patients.
Conduct initial assessments, monitor progress, and adjust care plans.
Collaborate with nurses, HSCPs, and GPs.
Perform procedures (IV cannulations, medication review).
Ensure thorough medical documentation and discharge planning.
Respond to changes in patient condition and emergencies.
Lead RMO Duties:
Coordinate medical cover and act as team contact.

Qualifications:

3+ years experience in either – Emergency Medicine/Surgery/Medicine
Active IMC
Available to start in October 2025
Valid ACLS, ATLS, BLS, PALS certification

Hours:

24/7 onsite cover with a rotating roster (including nights/weekends).
Typical hours 8am – 5pm and then 5pm – 8am.
