

Specialist doctor in cytology, Sweden

We are currently seeking specialists in cytology for permanent positions across Sweden. Our extensive network of partners allows us to offer a wide range of opportunities, whether you are interested in working at a smaller local hospital or prefer to be part of a larger academic environment with substantial research opportunities.

As a specialist in cytology, you will play a crucial role in diagnostics and treatment, and your expertise will be invaluable to the hospitals we collaborate with. There are opportunities to work in general cytology or to further specialise in a specific area depending on your interests and experience.

What we offer:

Ongoing support from a dedicated recruiter before, during, and after your employment.
Assistance with obtaining Swedish authorisation and specialist approvals, if required.
Help with accommodation and travel arrangements, including support for your family, if necessary.

Access to a free language course with a private tutor via Teams/Skype.

Qualifications:

EU-recognised specialist certification in cytology.

Good communication skills in English and a willingness to learn Swedish.

Ready to take the next step in your career?

Don't hesitate to contact me. I look forward to hearing from you and helping you find the perfect job that matches your experience and ambitions.

To Apply:

Please send your CV mentioning reference DM-278 at info@phd-jobs.net
