

Specialist Doctor Family Medicine, Finland

Currently we are looking for Specialist Doctors within Family Medicine to well organized care unit centres in Sweden and Finland.

You will be able to work within a well functional team in a modern setting and with excellent working conditions. A Swedish/Finnish general medicine specialist's work includes giving priority on the basis of medical urgency. Switching between short acute visits, longer dialogues and home visits, and monitoring over a long period of time an individual's various health problems as well as assessing and taking into account the person's entire living situation. The work also includes basic child and maternal health care as well as preventive and rehabilitative work.

We as a company, will support you in all the practical details regarding relocation for you and your family, administration of your licenses, finding housing and coordinating language courses. As a doctor in Sweden, you will enjoy the possibility of combining a rich spare time with clinical and professional development – and enjoy good material standards.

Please contact us unconditionally in order to have some more information about your opportunities! Your contact with us will of course be confidential!
