

## Specialist Doctor Gynecology/Obstetrics, Finland

For a small hospital in an autonomous health-care-system located in the Finnish Archipelago we are looking for a skilled gynecologists that enjoys working within both clinical work as well as benign surgery and IVF-treatment. You will be able to work within a well functional team in a modern setting and with excellent working conditions.

We as a company, will support you in all the practical details regarding relocation for you and your family, administration of your licenses, finding housing and coordinating language courses. As a doctor in Finland, you will enjoy the possibility of combining a rich spare time with clinical and professional development – and enjoy good material standards.

Please contact us unconditionally in order to have some more information about your opportunities! Your contact with us will of course be confidential!
