

Specialist Doctor Radiology, Finland

For a smaller hospital in the Finnish archipelago we are now looking for you who want to influence your working place and feel that you are doing difference. The language spoken here are both Swedish and Finnish. You'll have the possibility to work in a well functional and creative organization where there's large flexibility in both working hours as well as the content of your position. We think you have a few years of experience as a Specialist Doctor and preferably also MR-competence.

The clinic are looking for team members with excellent communication skills and the ambition to learn both the Finnish/Swedish culture but also one of the languages Swedish or Finnish on fluent level. We as a company, will support you in all the practical details regarding relocation for you and your family, administration of your licenses, finding housing and coordinating language courses. As a doctor in Finland, you will enjoy the possibility of combining a rich spare time with clinical and professional development – and enjoy good material standards.

We are looking forward to your unconditional application and you'll of course be anonymous until you agree on otherwise!
