

Specialist Psychiatry

You will work in a Danish hospital with stable surroundings, attractive working conditions, possibilities for professional development, a better work-life balance and a future life and career in one of Europe's top welfare states, in Scandinavia.

Would you like to work with psychiatric patients in an outpatient or inpatient team - in a working climate where we emphasize professional growth and room for renewal and enthusiasm?

Our outpatient team handles diagnosing and treatment of patients referred to us from a regular group of general practitioners in the area of admission.

The department is located in a newly build modern facility together with a general Hospital in the region. We have room for 96 inpatients. The department has a psychological, biological and social-psychiatric approach to treatment.

The department works in interdisciplinary teams with a strong focus on cross-functional collaboration.

We employ 22 consultant psychiatrists and 16 registrars (younger doctors).

Your daily tasks include diagnostics and treatment on an inpatient ward. Focus on acute patients.

Employment will be offered on the basis of the applicable collective bargaining agreement.
