

## **Specialist Ophthalmology, Denmark**

You will have the chance to work at a well-equipped regional hospital in Denmark. The hospital is offering a modern and friendly environment with attractive working conditions, possibilities for professional development, a better work-life balance and a future life and career in one of Europe's top welfare states, in Scandinavia. You will work in an internationally renowned department at two locations, where you will also enjoy the support of your new colleagues.

### ***What can you expect?***

Permanent contract

€ 120.000 minimum yearly salary including pension benefits (evening and weekend shifts, and overtime if any are paid on top)

37-hour working weeks

6 weeks paid holiday

A free, intensive on-site language course as part of your job with a full salary from the start

We take care of the authorisation process for you

Relocation assistance and spouse employment assistance

### ***Requirements:***

Specialised in Ophthalmology with a broad background in the field

Experienced and interested in surgeries, with a focus on VR surgery

Motivated to live and work abroad

Proficient in spoken and written English

Able to take part in an intensive Danish language course
