

Specialist Plastic and Breast Surgery, Denmark

Position at a university hospital's plastic- and breast surgery department within an hour from Copenhagen. Primarily looking for certified breast surgeons, or those who possess the surgical skills and experience to become a certified surgeon in Denmark. The position includes a language course in Denmark after relocation.

You will work as a full-time breast surgeon at the Plastic and Breast Surgery Department. You will be part of a dynamically evolving and expanding department, who are in the process of moving to a brand-new facility.

In case you are not a certified breast surgeon yet, the hospital will provide you with a 24-month program with a mentor-mentee system to ensure your smooth career progress.

You are:

You have a specialisation in the surgical field

You are a certified breast surgeon OR you possess the required experience and are motivated to complete a 2-year certification programme

Proficient in spoken and written English

What can you expect?

Permanent contract regulated by the Danish collective agreement

€ 118 000 minimum yearly salary (including pension benefits)

37-hour working week

6 weeks paid holiday

A free Danish language course as part of your work

A free trip to Denmark prior to the language course, where you will have the opportunity to visit your future workplace and living area

Support in integration, authorisation and administrative processes, in finding kindergarten, school, flat, house

Relocation assistance and spouse employment assistance

And much more
