

Urologist to Norway

A position for a urologist with a general profile and surgical skills in Norway.

We have a position for a urologist with a general profile and surgical skills. The urological unit has its own modern and well-equipped surgical theatre for example, TUR/Vaporisation in saltwater, traditionally stone treatment and laser, PDD. There is also ESWL treatments with an own machine (Dornier compact), and flexible ureteroscopes and a new holmium laser.

The international team of surgical doctors that you would cooperate with have specialities in urology, general surgery, orthopedics and plastic surgery.

We offer:

Permanent contract after obtaining the Norwegian license to practice as a specialist doctor.

Attractive salary. Duties, if there will be, will be paid apart.

Training courses within working hours.

Help to find: Apartment, school and kindergarten.

Invitation to study tour to Norway after a first interview, to learn more about the region and the work environment.

Assistance with removal and relocation costs.

Intensive Norwegian course, also for the partner and children.

Remuneration during the intensive language course of €700 monthly net, a supplement for children of €70 monthly net, free apartment and travel costs for the family.

Requirements:

Specialist title in urology recognised in the EU.

Ability to do interdisciplinary work.

Experience and interest in working with any of the above mentioned fields.

Availability to complete the Norwegian intensive course.

To apply: please send your CV (and any other files)
