

Vascular/Thoracic Surgeon, France

Locations: West France / Pays de la Loire

There are two positions for vascular surgeons.

Remuneration & benefits:

Monthly salary of EUR 5'000 - 10'000 depending on type of status and volume of performance

Requirements & expectations:

Be a national of the European Union (or a national of a country with which France has an exchange agreement for workers).

Possess a degree in general medicine and specialised in vascular surgery from a university in the European Union (unfortunately we cannot consider applications from medical interns).

Speak French at a level that allows at least good communication (B2 level) with patients. No language diploma is required, but an interview is mandatory.

Not have been subject to serious criminal or professional sanctions

Be motivated to come and settle permanently in France and to practice his/her profession with professional conscience, while respecting the Code of Ethics of the Order of Physicians.
